

APPLICATION FOR AMAZON EXPEDITION IMMERSION EXPERIENCE

21 NOVEMBER – 7 DECEMBER 2020

Welcome to the Amazon Expedition Application process!

I am so pleased to offer you this incredible opportunity to experience an authentic Shamanic Immersion in the Peruvian Amazon.

Please be aware that the Amazon Expedition is a very focused and intense shamanic initiation in an environment that can present challenges. Once in the jungle, we will be living in a basic village camp, without power or mobile reception and an entire day's boat ride away from any medical facilities or town assistance.

Once we have embarked on this journey into the Amazon Rainforest, there will be no turning back for any reason other than in the most severe emergencies. For this reason, all participants will be interviewed to ensure their readiness for an adventure of this magnitude.

I am looking for spiritually awake, physically fit, healthy and strong individuals who are without significant medical conditions and who are emotionally, mentally and spiritually prepared to engage in deep personal process in a group environment.

Your total investment for the Amazon Expedition is US\$2,200 all-inclusive for 15 days; a significant portion of which will be supporting Casa Shipiba and our hosts in San Jose village.

This fee includes two nights shared accommodation in Iquitos but does not include flights and any other hotels, taxis or food prior to your boat departure on the Amazon.

Once your application is accepted, a US\$900 deposit is due. If you should cancel after payment is made, refunds are only possible when the expedition is full and another person fills your position. The Amazon Expedition is limited to 15 participants.

Final payments must be finalised by the 1ST JULY 2020.

Please do not book your airfares until we advise you that the group numbers are confirmed
